Aid from multilateral agencies

3730. SHRI C. RAMACHANDRAIAH: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that country is getting billions of dollars of aid from multilateral agencies every year;

(b) if so, the amount taken from various agencies, agency and project-wise;

(c) whether it is also a fact that much of the aid is lying unspent;

(d) if so, the details of the unspent aid, project-wise; and

(e) the steps taken to put the aid to effective use?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI BALASAHEB VIKHE PATIL): (a) Yes, Sir.

(b) and (d) The agency and project-wise details of (i) amount of loan/Grant received from the various multilateral agencies and (ii) Undrawn Balance, are given in the annexed Statement. *(See* below).

(c) Foreign aid is largely project tied and therefore, utilisation of the sanctioned aid for any project is spread over the project implementation period. As a result, there would be some unutilised amount at any point of time, reflecting the assistance in pipeline, which will be used as project implementation takes place.

The pace of utilisation is sometimes affected due to inadequate provisioning of funds by the implementing agency, procurement and contracting delays, delays in land acquisition and other project specific issues.

(c) Some of the steps taken by the Government to improve aid utilization are ensuring adequate provisioning for externally aided projects in the budgets of State and Central Govt., streamlining of procurement procedures, disintermediation of flow of external aid to Central Public Sector Undertakings, quarterly review with Executing

Agencies, setting up of a Project Management Unit in the Department of Economic Affairs, strengthening of Project Monitoring Units in some States and Central Ministries, appointment of Nodal Officers for the States and regular review of projects with respect to quality at entry.
